suffication of cotton. Money in the of a personal character shall pass through said to be starving in Sweden. country there is none, and it is useigns to their hands; hope to collect even the smallest debts. Gen, Athert Pike, editor Memphis Appest: half cents upon every pound of cotton. Please make the correction. When the war ended in 1865 every one who had money owing to him, in a

country in which there had been in four NEGRO PROLUTARIANISM-THE years a positive annihilation of property to the cash value of at least seven hunchased by a creditor, under execution, for the sum of five hundred dollars. It would require three or four plantations to satisfy a security debt of five or six thousand dollars. A New Orieans must chant who had advanced \$25,000, and had for security a plantation in Desha double, arkensas, laiely preferred to county, Arkansas, laiely preferred to county, Arkansas, laiely preferred to county, Arkansas, laiely preferred to county, and the whole, rather than advance \$175 the whole, rather than advance \$175 the whole, rather than advance \$175 the proprietors or be assumed to the credit of the convention, and the effect that no funds had been deposited to the credit of the Convention, and the device of the sleighing "carnival" in that city and its snvirons. What would then developed the country. Pending its scurre of the New York wine manufactories will put a stop to the making of bogus Heidsick, Most et Chouden and Green Seal.

The balance of the session, until the hour for adjourning, was passed in dishurched the form the State Treasurer to the effect that no funds had been deposited to the credit of the Convention, and the treasurer to the effect that no funds had been deposited to the credit of the Convention, and the three deposited to the credit of the Convention, and the three deposited to the credit of the Convention, and the device and its snvirons. What would the defect that no funds had been deposited to the credit of the Convention, and the three deposited to the credit of the Convention, and the developed the country. The New York would say that the deposite to the vexel in the office that no funds had been deposited to the credit of the Convention, and the devolve of the seighing "carnival" in the effect that no funds had been deposited to the credit of the Convention, and the double of the session of the seighing "carnival" in the effect that no funds had been deposited to the credit of the Convention, and the double of the session of the ses chased by a creditor, under execution,

standoned. The negroes nave, with very few exceptions, got in arrears to their employers, and have nothing due their employers, and have nothing due them. Nearly or quite one hundred thousand of them, in the river region of Minglesippi and Arkansas are, or in a few days will be, discharged. There is no employment for them, the coming year; and they are about to learn that property is started by the ingress is still worse. Upwards of twenty thousand are now at the point of the payment of the alegal tender at eighty could not be a legal tender at eighty could not be a legal tender at eighty could not be a legal tender at eighty could not provides for the payment of the inhabitants to a state of severs privation. Poverty is scarcely a name for the deplorable condition of the people in the deplorable condition of the payment of the members' warrants out of any funds in the hands of the State Treasurer.

The second clause of Cooley's resolution provides for the payment of the members' warrants out of any funds in the hands of the State Treasurer.

The New York Observer intimates that Bescher's story is nothing more than a boundless plain of pretty reading, interminable passages, leading to nothing more than a boundless plain of pretty reading interminable passages, leading to nothing more than a boundless plain of pretty reading interminable passages, leading to nothing more than a boundless plain of pretty reading interminable passages, leading to nothing more than a boundless plain of provides for the eighty could be a legal tender at eighty could than any that man ever before com-

Already, negro women have been stored in its alleged desire to all the new found in Arkanasa, lying dead or dying of starvation in the reads. Having pretty nearly exteriminated the swine in the bottoms, the freedmen are now destroying the cattle. On the Arkanasa fiver, we learn, or all presents of the country, the freedmen are now destroying the cattle. On the Arkanasa fiver, we learn, or all presents of the country, the freedmen are now destroying the cattle. On the Arkanasa fiver, we learn, or all presents of the country, the freedmen are now destroying the cattle. On the Arkanasa fiver, we learn the fiver country, we are told. Two-short years of felly have sufficed to all cleaner from the fiver country, we are told. Two-short years of felly have sufficed to all cleaner from the sality and besetted negro the sympathies of these who would fain have been his friends. A short earnival of licens and instincts is to be succeeded, for shirting that the sality of the fixed only question saw b, how to get tide in the first of the finance of the presence of the first of the

the basest ends, he appeals to none of the kindly sympathies of the white race.

After robbing the employer and the incomplete of every pound of cotton. The order in question is:

Commanding officers are directed to notify the lessating colored measures as may be necessary to conspirators at Washington now repeals the two years, by a sinamplessly to give general publication of the fact, and with it ends the capacity of the coming year, and to go to work upon the coming the desired to the coming the desired to the coming vation of cotton is for the most part at an end; and with it ends the capacity of the south to purchase this goods which Northern merchants have imported. The year just closing has been any of the coming year, and to go it work purchase of meants meets, of devices to maintain sinking credits, of narrowness of means and straitened chromatic significance and falling incomes; but on the debtor's violated promises, of depression, gloom and apprehension, of narrowness of means and straitened chromatic significance and falling incomes; but on the portals of the great state and spread and straitened chromatic significance and falling incomes; but on the portals of the great state of the great st speranza, '-- here leave hope behind.'

We have as yet seen only the beginning of the end. The immediate future has all unemployed and destinte negroes, to fit the end. The immediate future has all unemployed and destinte negroes, to have a special form the end. The immediate future has all unemployed and destinte negroes, to have the fit form the end. The immediate future has all unemployed and destinte negroes, to have the fit form the end. The immediate future has all unemployed and destinte negroes, to have the fit form the end. The immediate future has all unemployed and destinte negroes, to have the fit form the end. The immediate future has all unemployed and destinte negroes, to have the fit form the fi

ages that are to come. An elernity of siready nearly gone, and the matter will not await the slow processes of The Northern people idly dreamed red tape and circumiocution. Already

South, and make the negroes the masters of the white race, and appplant the THEY MUST BE PED, at the expense of laws by bayonets, and themselves still those who set them free and made them rable as the project was implous? Al-On the other hand, if the levees are not ready the waves of our calamity have reached and overflowed their borders.

Their manufacturers are decaying, the building of ships is at an end, the Southern markets have become worthless to their merchants, and tens of thousands of men and women are out of employs.

The planter to planter to be again cultivating lands that cutting off the individual supplies of members of stationers and newspapers, was agreed to, but without passing the built, the House adjourned until Monday, January 6th.

The planter to be overflowed. Unprotected as they now are, these lands are worthless. Cultivated, they will yield the planter no returns. As a basis for off men and women are out of employs.
